Reviews

This pdf may be worth buying. It is actually filled with knowledge and wisdom Your daily life span will be convert as soon as you comprehensive reading this article publication.

(Ms. Earline Schultz)

THE LOST WOMAN: A SCREEN-NOVEL (PAPERBACK)

Trafford Publishing, Canada, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 1876, a young woman named Kate Vernon was traveling West on a wagon train bound for California. She fell in love with a fellow traveller and soon found herself pregnant. Her lover convinced her to leave the train so they could marry at a small settlement. They rode for several days. One morning Kate woke all alone, her lover, and her horse, gone. She was abandoned in a desert wilderness, and surely would have perished if not for the native Americans that helped her build a small rock cabin, bear her child and eke out a small existence. She wrote of her experiences in a diary. In 1905, Joe Ward found her diary in the empty shack. Kate was nowhere to be found. Her son was buried nearby with a simple stone marker. The diary entries ended when she wrote of her child's death. This is where my story begins.
