## IN SEARCH OF A LOVE STORY

Createspace, United States, 2012. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Emily Donovan doesn't have a romantic bone in her body. At least, that's what her friends Ryan and Ashley keep telling her. They're convinced her bad luck with men is directly related to her life-long lack of interest in all things romantic. When Emily's latest relationship crashes and burns, she decides to go along with her friends' plans for a romance research project. Sure, the idea that she'll have better luck if she learns about the great romances of literature and film seems a little silly, but Emily figures it can't hurt. In no time at all, Emily finds herself buried under a mountain of romance novels, chick flicks, and sappy love songs, hopeful that her hard work will pay off with true love. When she meets Greg, Ashley and Ryan are convinced she's found prince charming—after all, he's rich, handsome, and totally into Emily. What more could she want? And why isn't her friend Elliot exactly happy for her? Faced with misunderstandings, miscommunications, and a seemingly endless string of missteps, she is nevertheless determined to give love a try. In doing so, Emily will eventually find that true romance, the kind that lasts, has little to do with stereotypes or clichés, and everything to do with finding out what's in her own heart.
