

Echoes of Democracy (Classic Reprint) (Paperback)

Filesize: 9.37 MB

Reviews

It is great and fantastic. Better then never, though i am quite late in start reading this one. Its been written in an extremely simple way and is particularly only right after i finished reading this ebook where actually changed me, affect the way i really believe.

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Echoes of Democracy They oft petitioned, but could never fully know. The palsied poor, exchanging their last mite for bread, Grabbed without thanks by greedy, cold, close-fisted hands Dreamed of a light, which would illuminate, The parsimonious nook in selfish minds, And show them they are hoarding here, That which is least accredited -in heaven, And leave untouched, rose tinted pearls, gems with out price, Bright with the hue of heaven s lustrous smile. Downtrodden generations, with a million wrongs, To curse the tyranny, which tread them down, Prayed that some such a spark may permeate The darkness of black machination s cloud And kindle mercy in the despot s stony heart. Now time has brought thee from its hoarded depths Unlocked by persecution and by blood. Shine! Pierce the gloom of an enslaved world, Pierce interlunar reaches of primeval night, That Night mare s vampire may not hold us thrall. Thus are fulfilled those centuries of dreams, Which lead that hero, weighted with the thought Of unknown kingdoms slumbering unrevealed, To brave the perils of unnavigated seas. Light ushered in the new world to the old world s eyes, For to the admirals gaze, the alien shores Swarn with the beacon that would ever be The emblem of the world s democracy. Oh bursting dawn of all the dawns of time Then hundred men rushed to the deck half-dazed, Men, wan with hopes long lost. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present...
