Createspace, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This eBook provides a road-map to improving your health in general, and autoimmune diseases, food allergies, and gluten specifically. Every single person alive should read it because the gluten in wheat is not digestible by humans today, and millions of people are now suffering from a myriad of undiagnosed food allergies. It is time to fix this. This short book covers genetically modified foods (GMOs), electromagnetic fields (EMFs), bio-films, yeast or candida overgrowth and how to heal the inflammation through the use of a Paleo type diet and targeted nutrients and supplements. There are many suggestions on how to calm the fire of inflammation in your body for good, and to begin a new, healthier lifestyle immediately. Some are simple things you can start today. This information can literally change your life for the better if you apply it! This print version contains a special bonus book on how to prevent and reverse gum and heart disease!
