Reviews

It is fantastic and great. This is for those who statte there was not a worth looking at. Its been written in an exceptionally easy way which is only soon after i finished reading this ebook through which in fact changed me, change the way i really believe.
(Barry O'Reilly)

GRAVEYARDS OF THE BANKS - MONSTERS ARISING (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.GRAVEYARDS OF THE BANKS by Nyla Nox Volume 2 Monsters Arising Midnight in the City of London. The Masters of Finance rule the world. Small creatures run for cover. Nyla, a jobless humanities graduate with broken dreams is forced to work on the midnight shift in the graphics centre of the Most Successful Bank in the Universe in London. Night after miserable night, she hangs on for survival. And the Monsters are not sleeping. The Fittest to Rule fight their neverending war for supremacy in the Bank. They have absolute power over Nyla, including the most intimate bodily functions. And then Vera, slow and beautiful, arrives. The bullies decide to make her their ultimate target. But Nyla s love life is finally taking off. Lazy afternoons and kisses sweeten the relentless work routine. Why should she have to stand up for freedom and decency when everyone else is looking away? Vera and the bullies are locked into a relentless spiral of torment. And finally, dramatic events force Nyla to confront the monsters (inside and out) and make a very dangerous decision. Everything is on the line. Her job, her home, her education. Her relationship. Suddenly, a very different shape appears on the horizon that will shake up Nyla s world forever. A modern-day Bosch-esque purgatory. It s the death of a thousand cuts: a steady, minute chipping away of sensitivities, of sensibilities, of any sense of normality, that make the story get slowly but inexorably under your skin. It s rampant capitalism s ugly underbelly, a hugely apt and relevant tale for us right now. Noel Maurice, indie lit Financial fiction meets Dante s Inferno meets The Office. Wow. This was an amazing,...
