

Animal Homes (Paperback)

By Angela Wilkes

Kingfisher, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Discover Science: Animal Homes presents the wonderful diversity of places and spaces that animals use for shelter. The eye catching photography and age-appropriate text are a perfect introduction to the animal world. Simple hands on activities are included so children can learn to construct animal habitats of their own, including a nest and even a hamster playpen! Make science accessible with this essential series that will capture children s imagination while laying the foundation for future learning. With clear, simple language and a compelling design, Discover Science gives young readers the answers to fundamental questions about animal homes, birds, light and sound, materials, and more.
