*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

U.S.A.: Pinnacle, 2013. Soft cover. Condition: New. 1st Edition. 2013. Mass Market Paperback Original. First Printing. Tall-Sized. MINT UNREAD COPY. Former CIA agent and soldier of fortune Wild Bill Elliott thought he was done with impossible missions. But that was before a group of Islamic fanatics teamed up with a Mexican drug cartel to establish a terrorist training camp on America's southern border - and Elliot is tapped by the government to wipe out their base. To do this Elliott recruits a squad of hardened lifers plucked out of the U.S. maximum security prisons - a terrifying collection of brutal killers, armed robbers, and savage felons, convicts so out of control they could blow up the mission at any moment. Whipping this ragtag bunch into an assault force capable of infiltrating the terrorist death-trap will be the greatest challenge Elliott's ever faced. Getting them out alive? That could be a problem. New in Full Color Wraps.
