Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Alden s Citizen s Manual: A Text-Book on Government, for Common Schools The publishers of the Science of Government in commotion with American Institutions, - a work designed for Colleges and High Schools, - have received abundant assurances, from various parts of the country, that the general introduction of the study of the science of government into common schools would follow the appearance of a text-book adapted to the wants and circumstances of common school teachers. The author was thus led to consult a number of intelligent and experienced teachers. Having possessed himself of their views, which met his full approbation, he prepared a work, and submitted it to an able and successful teacher, who carefully revised every part of it, and made many valuable suggestions. The work was then wholly re-written, and is now given to the public with the hope that it will meet the approbation of common school teachers, and aid them in doing a work which no other class of men can do - that of preparing the masses for intelligently...
