WHITE SLAVERY IN THE BARBARY STATES: A LECTURE BEFORE THE BOSTON MERCANTILE LIBRARY ASSOCIATION, FEB, 17, 1847 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from White Slavery in the Barbary States: A Lecture Before the Boston Mercantile Library Association, Feb, 17, 1847 In this mighty gallery, amidst a heavenly light, are the images of the benefactors of mankind the poets who have sung the praise of virtue, the historians who have recorded its achievements, and the good men of all time, who, by word or deed, have striven for the welfare of others. Here are depicted those scenes where the divinity of man has been made manifest in trial and danger. Here also are those grand incidents which attended the establishment of the free institutions of the world the signing of Magna Charta, with its priceless privileges of freedom, by a reluctant monarch; and the signing of the Declaration of Independence, the annunciation of the inalienable rights of man, by the fathers of our republic. On the other hand, in ignominious confusion, far down in this dark, dreary charnel house is tumbled all that now remains of the tyrants, the persecutors, the selfish men, under whom mankind have groaned. Here also, in festering, loathsome decay, are the monstrous institutions or customs, which the earth, weary of their infamy and injustice, has refused to sustain - the Helotism of Sparta, the Serfdom of Christian Europe, the Ordeal by Battle, and Algerine Slavery.
