Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Investors chase Yields - but are they aware of Traps and Consequences? Many Nations have to cope with more Debt and Interest Payments than ever before - do alternatives exist? The most players in the gigantic game around money - Investors, Bankers, Politicians, and Consumers - suffer from an unprecedented level of complexity and uncertainty. Today s Financial System is chaotic and full of weaknesses - and it becomes increasingly unstable. A never ending chain of Finance Scandals and Finance Crises indicates that something is wrong actually. This book criticises several investment categories, casts light on the deeper reasons behind the Greed-and-Debt-economy, and outlines several improvement possibilities. An independent contribution to the ongoing public, international Debate concerning Changes, Rules, and Restrictions in the Financial System. An inspiring Essay in ten chapters - easy to read.
