HAY HOUSE, 2016. Hardback. Condition: New. Language: English . Brand New Book. Falling in love is a thrilling, transcendent experience . . . but what about staying in love? Once the intense excitement of a new relationship starts to fade, you may think your only options are to somehow recapture that early magic or settle for a less than fulfilling love life. Now love, sex, and relationship expert Laura Berman, Ph.D., taps the latest scientific and metaphysical research to offer an inspiring alternative: a higher level of love beckoning you to move forward, not backward. Using the essential truth we ve learned from the study of quantum physics--the fact that at our molecular core, each of us is simply a vessel of energy--Dr. Berman explains how you can use what s happening in your inner world to create a level of passion, connection, and bliss in your relationship that you ve never imagined possible. Drawing on her clinical practice and case studies as well as her personal journey, she guides you to: - Plot your unique energetic frequency of love with her Quantum Lovemap - Work consciously with the energy of your body, heart, and mind - Make four key commitments designed to raise your energetic profile - Bring your frequency into harmony with your partner s so that you can grow together - Learn how to have Quantum Sex (which is every bit as good as it sounds) Quantum Love is the best possible experience of love, and it s available to absolutely everyone, whether you re seeking a mate, in a relationship that s struggling, or just finding that love has turned lackluster through the stresses of life. You can t go back to the honeymoon phase, but there is something so much better within your reach. Quantum...
