

Practical Argumentation (Paperback)

By George K Pattee

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Practical Argumentation is a classic debating skills guide by George K. Pattee. The author's aim has been to produce a book that is practical, -- practical from the student's standpoint, and practical from the teacher's standpoint. The study of Argumentation has often been criticized for being purely academic, or for being a mere stepping-stone to the study of law. It has even been said that courses in Argumentation and Debate have been introduced into American colleges and universities for no other purpose than to give the intellectual student the opportunity, so long monopolized by his athletic classmate, to take part in intercollegiate contests.
