Austin Macauley Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. When new employee Dominic fails to show up at a Health and Safety induction session, training officer Regan proceeds without him. A scream from the warehouse brings everyone running, and she discovers that her missing trainee has been found impaled by a forklift truck, and the driver is nowhere to be seen. Then the same day she comes across a box containing illicit drugs, leading her to suspect a connection to the mysterious death. In an unusual twist, Regan plots with her friend Noggin and Dominic s pregnant widow to secure their futures by stealing the drugs from under the criminal gang s noses and sell to a rival organisation. This questionable morality is highlighted even more by the petty dishonesty and moral standards portrayed in the story, giving us a moral dilemma that leads us constantly to ask: who s right and who s wrong? This gripping story keeps you wondering right to the end.
