

Korean Through English 2 (with Cd) (Paperback)

By SangOak Lee

Hollym International Corp., U.S., United States, 2013. Paperback. Condition: New. New, Bilingual. Language: English, Korean. Brand New Book. The easiest Korean language textbook series by The National Institute of the Korean Language Language Education Institute at Seoul National University. The Korean through English series was first published in 1992 and has been widely used as an educational textbook series for foreign learners of Korean. In 2012, the new edition of volume 1 was published. It was designed for beginners who are starting to learn Korean as a foreign language for the first time. The textbook was intended to help learners understand the fundamental system of Korean letters (Hangeul) and acquire basic vocabulary and grammar. Now, the new edition of volume 2 has been published. It maintains the same major learning objectives as the previous version and meets new trends and learners' needs. This textbook targets intermediate learners who want to advance their Korean language skills to the next level. It is intended to help learners become more confident in using Korean language with accuracy and fluency. The current revision was written by Sang-Oak Lee who wrote the original version and Youngmee Chung at the Language Education Institute of Seoul National University.
