Immedium, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. What would you do if the sun went out? The brave space cadet Topo searches the universe to discover how to relight the sun s flame before everything freezes forever! Join this vibrant adventure as an inventive hero and his robot friends have fun saving the galaxy. Collectors of limited edition vinyl toys and fans of anime, manga, and plush characters like the Ugly dolls, will adore Topo and his cute crew. As a DGPH fan, I loved it. The artwork is extremely cute, and most of the pages would look great as art prints. I would want Space Cadet Topo and his Bot friends on a t-shirt. - Supah Cute Immedium is really on a roll. They keep puttin out books by some of my favorite artists! The newest addition to their lineup is by the awesome Argentinian design duo DGPH. DGPH s Space Cadet Topo is an adventure story filled with super cute illustrations and my favorite little Mole, Topo.The books that Immedium publishes are my favorite - they perfectly pair great stories with art by some of the world s best illustrators. The books appeal to kids, parents, and collectors alike! - Tokyo Bunny Space Cadet Topo is a fun-packed, enjoyable and incredibly imaginative tale of against all odds valor that takes you on an amazing journey of galactic proportions.This is a roller-coaster of a book. The story bolts you in and the illustrations take you on this amazing ride through space as our hero tries to save the universe. At times throughout the book I felt as if I were immersed in a video-game game; climbing through mazes, discovering new characters, testing my abilities.The crisp illustrations are littered with so many fun elements...
