INGRAM PUBLISHER SERVICES US, United Kingdom, 2001. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****.Mort Rosenblum, a celebrated foreign correspondent, invites us aboard his fifty-four-foot launch tied up in the centre of Paris and introduces us to the characters who share his life along the river, ranging from eccentric movie stars and reclusive novelists to barge families just scraping by. He then hauls in the bow line for an unforgettable tour of the river itself from its source to its mouth. The Secret Life of the Seine is a love story between man and boat and the river that they live on, a discourse on the sensual beauty of France and the art of living well. In the tradition of A Year in Provence, Under the Tuscan Sun, and Paris to the Moon, here is what Garry Trudeau called a moveable feast [with] a top speed of five knots, fast enough for fun, languid enough for dreaming. Take a trip you ll never take: This is what books are for.
