Forgotten Books, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from *Lecons sur la Pathologie Comparee de l Inflammation: Faites a l Institut Pasteur en 1891* L examen du processus inflammatoire a ce point de vue nous permet de nous faire une idee plus complete et plus sure de l essence meme de ce phe nomene. L essai que je presente au lecteur ne renferme, il est vrai, que la partie theorique en question; mais dans ce cas, comme dans tant d autres, l elargissement des connaissances theoriques a son retentissement naturel sur les applications pratiques. Dans la theorie biologique de l inflammation que je soutiens dans cette etude, il est souvent question de phagocytes. Je dois cependant prevenir le lecteur que la theorie des phagocytes n est pas exposee tout entiere dans cet ouvrage beaucoup de points de cette theorie rentrent dans les chapitres sur l immunite, la guerison et l atrophie, chapitres que j espere traiter bientot separement. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.](#)
