Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book. Soap Making Business Startup How to Start, Run Grow a Million Dollar Success From Home! In this book, I don t tell you how to make soap in few steps and then give you a few recipes to try, so you can start your own soap making business. You can find that information anywhere, don t have to buy my book to learn that. Wait! Oh! I did that in this book. I did explain how to make soap, I also did give you a few simple recipes too. But I hope that is not why you bought this book. In this book my goal is to explain to you in simple terms how to CREATE great natural and organic soaps and not just MAKE soaps, there is a difference. You will get to see and understand that difference when you understand each ingredients and how they interact and react with each other. You will not have a great business if you are just making carbon copy of few soaps of other people which your customers can go buy from any local stores. What will make you unique is when you create a blend or two of your own and people start liking your creation. That is when you can hit the home run in business. Imagine growing your soap company into a local, regional and ultimately a national brand, where your soaps will be sold at every Whole food, Body, Bath and Beyond, Home Goods and many other great retailers. This is a Two Part Book. In the first part I show you how to get started with soap making, I show you every steps you need to take to make your first batch of...
