Darton, Longman Todd Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. The DLT Books of the Bible are designed to reignite a passion for reading the Bible. A selection of Christian writers and leaders have each been invited to choose a book (or selection of books), and introduce it anew for a modern audience. What most excites them about this book of the Bible? What should we look for as we read it today, two thousand years (or more) since it was written? In this volume, broadcaster and writer Christina Rees introduces the Book of Romans, and offers her personal response to what she believes is a much-misunderstood book with relevance for today. Each volume in this essential series contains the text of the selected book, from the New Jerusalem Bible, one of the most respected and readable modern English translations.
