URBAN CHINA: TOWARD EFFICIENT, INCLUSIVE, AND SUSTAINABLE URBANIZATION (PAPERBACK)

World Bank Publications, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. In the last 30 years, China s record economic growth lifted half a billion people out of poverty, with rapid urbanization providing abundant labor, cheap land, and good infrastructure. While China has avoided some of the common ills of urbanization, strains are showing as inefficient land development leads to urban sprawl and ghost towns, pollution threatens people s health, and farmland and water resources are...

Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).

Extensive information! It's this type of excellent study. I have read and I am sure that I will go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
