## JOURNAL OF LIFE . . . YOUR LIFE (PAPERBACK)

Xlibris, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This journal is a practical avenue to clear your head so that you can focus and get on with your life. When the journal is full of your year s achievements, highs and lows, you can sit back and say I survived , I forgot about that , I had a big year , and I made it happen . Some of you will be goal-kicking experts; others will not even have a clue how to set one. This is a journal for you to write whatever you want, stick pictures, create timelines or maps, or just use as a daily journal of your normal days. It s totally up to you. There is a thankful page after every journal page so you can write ten things you re grateful for without getting a separate book, and then there s a meditation space underneath so you can write about the experience, avoidance, timeout, and how hard or easy you found it. Throughout the journal are some ideas of things you can do to make life a pleasant experience on any budget. It s taking pleasure of the simple things in your own environment. Decluttering your space declutters your mind. Through mediation on sending love to all the people going through the same experiences as you, we can be connected to one another without ever meeting and saying a word and by sending one another peace and love. I believe that...
