Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Frances and Bernard, Carlene Bauer, It is not love at first sight for Frances and Bernard. She finds him faintly ridiculous while he sees her as aloof. But after that first meeting, Bernard writes Frances a letter which changes everything and soon they are immersed in the kind of fast, deep friendship that can alter the course of lives. They find their way to New York and discover cramped West Village kitchens, rowdy cocktail parties stocked with the sharp-witted and glamorous, taxis that can take you anywhere at all and long talks along the Hudson River as the lights of the Empire State Building blink on above. Irresistibly witty and deeply moving, Frances and Bernard is a story of kindred spirits and the people who help us discover who we are.
