Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published e book. You won't truly feel monotony at any moment of the time (that's what catalogues are for concerning should you question me).

Llewellyn Publications, United States, 2005. Cards. Condition: New. Language: English, Spanish . Brand New Book. The Tarot of Lady Victoria Westwood--1893 Using the evocative, whimsical, and richly detailed art of Walter Crane and Earnest Fitzpatrick, the Harmonious Tarot invites you to experience the Victorian world of the mythical Lady Victoria Westwood. With artistic beauty and an experiential story line, this deck will be right at home at the finest high tea in a typical English cottage's garden or at your next reading! As Lady Westwood describes the cards, you'll feel enchanted with the charming feel of a hand-painted tea cup or maidens fanning a goddess. But don't mistake this for a simple art deck. This one has powerful insight that will add to your divinatory skills. Death, for example, is shown dancing, not riding. He's now an active character from whom there is no escape. A woman on the 7 of cups holds a mirror and sees herself as aged, a fascinating addition to the usual meaning of daydreams, fantasies, and imagination given to this card. The borders show typical Victorian decorative flowers, and the backs are intense, mirrored mazes like rugs or wall hangings that are ideal as focal points for meditation and pathworking. This deck has a delicate, non-threatening softness to it making it ideal for beginners. It's perfect for asking warm, friendly, and gentle questions. Its subtlety and whimsy makes this deck great for more experienced Tarot workers, too, allowing you to bring forth new insights and realizations. Like the Victorians, its depth is often more than is apparent on the surface. A great deck to have and use. The companion booklets for most Lo Scarabeo decks are in five languages: English, Spanish, French, Italian, and German.
