ISBN Canada, United States, 2015. Paperback. Condition: New. Language: Arabic . Brand New Book ***** Print on Demand *****. The success of your private project or any projects need times, for that we advise you to read this book before making critical decisions to save lots of time and money. The goal of any career is to make money, but according to the writer no-one talk about that, companies try to sell you their product, service, or study.etc. So instead of talking about management, leadership, business, self-employed, be your own boss. etc., which never show us how to be financially secured, we choose to talk about that in this book by giving tools to let you understand how to become financially secured in an early age, also we the book explain how money works. Mr Mark Urizar he is one of our partner, he asked me are you rich? I told him you should ve asked me instead, did you achieved your financial goals or not ? I told him yes I achieved my financial goals in early age, after that I decided to immigrate to Canada searching for new challenge, were I did a study in Innovation Entrepreneurship at McMaster University, also I worked there in big companies, I also end up by creating my own company there, and by writing this book. First section of the book will shows the path for a financial stability, and will discuss the two distinguishing events, decisions in the life of anyone that could determine professional future, and that everyone need to pay attention to it. The second section covers entrepreneurship and how successful entrepreneur do to start a project, also and how they saves time and money; the book shows how to enter any market in an intelligent way, second section...
