Excerpt from Transactions of the Massachusetts Horticultural Society for the Year 1918, Vol. 1 I happened to be glancing over the report of the annual meeting in 1866 and mention is there made of an award to Francis Dana for the introduction of the Dana s Hovey, to my mind one of the very nicest pears grown. How long is it, I wonder, since anyone of our members has been awarded a prize for the introduction of so good a pear as that! The Exhibition of the Products of Children s Gardens was wonderfully successful this year. It showed beyond doubt that the children are interested in the growing of commercial crops, perhaps especially stimulated this year by the war conditions. We believe our annual show for children is specially desirable and should be continued from year to year with such variation in program as to broaden the field of activity. N ow for the coming year. It is certainly for the best interests of our Society to continue our efforts to increase the membership. As a result of our efforts last year we secured 83 new members. We have had a considerable number of deaths but our membership roll has increased from 925 to 979 and a large proportion of the new members were life members.
