

Fighters at War

Filesize: 8.05 MB

Reviews

I just started out reading this ebook. I could comprehend every little thing out of this written e book. I am pleased to inform you that this is actually the very best publication i have read through inside my personal life and could be he best ebook for ever.

(Antonia Orn IV)

FIGHTERS AT WAR

Barnes & Nobles, 1997. Hard Cover. Condition: New. Dust Jacket Condition: New. What an electrifying history of aerial combat this is! Dramatic photographs are augmented by a highly readable text, plus charts and background information. The result is a big, beautiful, totally fascinating history of air-to-air combat. You don't have to be an aviation enthusiast to enjoy this book, the complete saga of the fighter planes of all nations--from the German Aviatik and British FE.2b of 1914 to the exotic, semi-secret Raptor and the super-maneuverable Russian Sukhoi Su-37 of today. With many bonuses, such as an analysis of the comparative effectiveness of various planes in combat, an exploration of tactics such as defense maneuvers, and plenty of action photos, history has seldom been as exciting as it is in this superb comprehensive reference. 8 1/2" x 12". Color & b&w illus.
