ABBA LARGE PRINT SONG TITLE SERIES (PAPERBACK)

Joan Maguire (Large Print), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Legally I cannot use Lyrics or Music because of Copyright but I can use song titles so a total of 742 song titles (Italicized) have been used to make the following story possible. Also due to the nature of my books; legally I must place a Reference (exactly the way they are down loaded) and Bibliography in the back of the book. Follow the story of the unusual last week of the holidays of three families at an Adventure Park and see how each family deals with the messages given to each child by one of two strange but identical looking men, an unexpected natural disaster that occurs in the middle of the week and the unexplainable healings of life threatening injuries. See how the families rally around each other in their time of need and what can happen if you trust one another. Can work out who the stranger is and did he really heal the people who should have died through their injuries? TESTIMONIALS After reading through your range of books I felt I must compliment you Joan on the imaginative and entertaining way in which you presented each group and the Musicians in those groups. The way the stories were constructed is a credit to your work ethic. These must have taken considerable time to piece together and it is obviously a work of love for you. I wish you all the success you truly deserve and look forward to seeing you next time you visit Tamworth. Peter Harkins Managing Director Cheapa Music Country Music Capital Tamworth The song titles series are books that were intriguing and were hard to believe that these short stories were written...
