New Generation Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A true account of the way the prison service treats its inmates. From the God Complex screws and Governors to the inmates and varying degrees of Scumbags who don't even reach the status of inmate This book works through the everyday routine that prisoners become accustomed to, some incapable of understanding any other life other than prison life. Death, Self-harm, drugs, dirt and the smell of seamen and fag ash. Don't read this book if you want to carry on with your cynical views of what you think it is like, your epiphany starts here.
