The Real Question of Meta-Physics-What Is Being Human Reality?: Pre-Axial Being with Thou -Vs- Post-Human Knowing about It (Paperback)

By Dr Jerry Lacony Killingsworth

Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book traces the nature of human existence from the Pre-Axial Age (Visions of Being)-to-the Post-Human Era (Versions of Knowing). Two impulses are identified, natural organic based on sensing, feeling, seeing being, techne truth based on believing, thinking, having, knowing. Three major obsessions are identified, the axial sensibility focus on living in but not being of this world, the ego-identity, the individual as a separate entity, and the technological imperative that everything, including human life- existence, has a conceptual, technical and rational base discovered and known in a pure thought context, beyond nature earth and outside of human experience. The book focuses on the primary Question of Meta-Physics - What is being human reality? and offers antidotes for the abstract-artificial disease of teknosis the state of being that eliminates the natural-organic and human experience. The fundamental difference in the Pre-Axial age and the New Singularity or post-human era is that the old, oral and intuitive-spiritual primitives natives saw felt nature as a Thou being- divine and sacred, but in the Post-Human era, nature is thought to be an It to be known...
