

Preventing Bullying: Helping Kids Form Positive Relationships (Hardback)

By Meline M. Kevorkian

ROWMAN LITTLEFIELD, United States, 2006. Hardback. Condition: New. New. Language: English . Brand New Book. Preventing Bullying was written for today s parents and teachers who are looking for ways to battle the continual exposure to school violence that may leave kids desensitized to mean behavior. Easy to understand and implement, this book is designed to foster feelings that allow children to put themselves in someone else s shoes and to help them recognize the difference between right and wrong in social situations.
