SHAKESPEARE S ZOO

Idle Winter Press, United States, 2013. Paperback. Book Condition: New. Laudea Martin (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Friends, Romans, countrymen: this is not your average book of quotations by Shakespeare. Wherefore? Here you will find no comparisons to summers days, or advice to be true to oneself. Ladies will not protest too much, or demand the departure of damned spots. We are quite content with our winter, thank you very much, and our kingdom has plenty of horses. The stage of this brave new world has no men or women, rose-scented or otherwise, to bid goodnight to each other until the ides of March, or at least til it be morrow. So what kind of book can this be? That is the question. Shakespeare s brilliance shines through, not just in his most famous lines, but in every line. The tiniest snippet of his work contains fantastic wordplay and depth of imagery. This book takes some of his less-known bits about various animals and pairs them with Laudea Martin s unique illustrations assembled from textured layers. And, like all Shakespeare, each page will become easier to understand the more you read it. The brilliant words of Shakespeare are meant to be heard, not seen, so read the words aloud and listen to the rhythm. Read them again and again, and let your imagination fill in the details of the scene. Each illustration was digitally constructed using layers of textured color. Some textures will be immediately recognizable, such as wood grain or leaves; others may be more difficult to discern, but all come together to create whimsical representations of just a few of the animals mentioned by Shakespeare. This volume, Shakespeare s Zoo, includes: falcon, eel, baboon, robin, bee, lizard, cricket,...
