Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

When two young brothers, Archibald and Jockabeb, find an old leather map hidden in the forest just beyond their backyard, they can't help but sneak out one night to follow its path. So begins the first of the boys' amazing adventures. After a terrifying encounter with supernatural creatures, the boys meet a young Indian brave, Haktu, who shares with them the tragic story of how he was separated from his tribe and placed under an evil spell. The saga leads the two boys into Haktu's secret world behind the forest mist, the power of the blue feather, and teaches them the importance of friendship and loyalty in the face of untold evil.
